SUPER TAIKYU

Next step to you, Super Taikyū series.

Super Taikyū series is the next step from one make race and JAF local series in our system. We support all things to enter this series.

Super Taikyū series is one of the top racing category in Japan, which both professional and gentleman drivers can participate. The race is held all over Japan with 3~4 drivers in each team and it is the endurance race for 3 to 7 hours. ST-5 class is suitable to enter for the beginners, because it's reasonable with amazing performance. Also we can support to race at other classes from cooperated teams.

Maintenance is by J's Corporation(J's Racing). J's Corporation is very famous for Honda tuning around the world. With reliable and fast cars, we support your race at Super Taikyū series.
